Villa

Marbella East

Newly built modern villa with amazing views of the sea and golf in Santa Clara Golf Resort Marbella. This stunning newly built villa is situated in an enviable location, due to its elevated position, within the Santa Clara Golf Resort Marbella urbanization, offering wonderful views of the golf course and the sea. This villa for sale in Marbella has a magnificent entrance with a big, modern wooden door and a lot of windows giving a natural light inside the house from every corner. The house also enjoys a closed garage and carport on the other side. On the main level, there is 1 bedroom, guest toilet, large living room with lots of space and light, as well as a modern open kitchen. Both the kitchen and the living room have direct access to the wonderful garden with its own private pool and a...
