Villa

Casares

New project of 15 villas, located between holes 9 and 10 of the golf course, in the residential area around the Hotel Finca Cortesin, in Casares. The land is a slope with sufficient slope so that all the houses have magnificent views over the golf course and Sierra Bermeja and, most of them also over the sea.

They are villas built on individual plots of up to 2,200 m², where the architecture plays with volumes of white and the contrast of light and shade. For a better adaptation to the land, there are three models of different houses, with five and six bedrooms en suite, living rooms up to 90m² and 5m high, fully equipped kitchens, large service areas, parking for two cars, private garden and pool.

The construction has the best quality: marbles in the floors, modern kitchens equipped...
